Chrome Ltd. (ICCL), Ispat Alloys, Ferro Alloys Corporation Limited (FACOR) and Jindal Strips. The proposal was for grant of only 50% of the area of 855.476 hects. whereas the Central Government's Order dated 17th August, 1995 had requested the State Govt. to send the proposal for grant of mining lease in favour of the aforesaid four parties for the total area of 855.476 hects.

While the aforesaid proposal of the State Govt. dated 24th June, 1997 was under examination, Shri M.C. Mahapatra, the then Joint Secretary in this Ministry who was handling the matter, died on 27th September, 1997, allegedly as a result of jumping from the office building of Shastri Bhawan. The police took up the investigations of the circumstances relating to the death of Shri Mahapatra. Initially the matter was being investigated by the Delhi Police and subsequently by the Crime Branch of the Delhi Police. Later on, the investigations were entrusted to the Central Bureau of Investigation (CBI) by the Ministry of Home Affairs. The entire original record in respect of the proposal for grant of mining lease of Sukhindra Chrome Ore mines have been taken over by the CBI and any further action in the matter regarding consideration of the aforesaid proposal for grant of mining lease can be taken up only after return of the original records by the CBI who are still investigating the matter.

Subsequently, another proposal dated 30th March, 1998 was received from the State Govt. of Orissa seeking the views of the Central Govt. on their proposal to undertake mining operations of Chrome Ore over an area of 190.80 hects. (the same area which was earlier recommended by the State Govt. for grant of mining lease in favour of M/s. IMFA/ICCL) in Sukhindra Valley under Section 4(3) of the Mines and Minerals (Regulation and Development) Act, 1957 (MMR&D Act) and to engage M/s. IMFA/ICCL as an agent of the State Govt. to undertake mining operations in the aforesaid area under Rule 75(2) of the Mineral Concession Rules, 1960. Since the proposal of the State Govt. was not found to be consistent with the provisions of the MMR&D Act, particularly Section 4(3) of the Act *ibid*, which allows only the State Govt. to undertake mining and does not recognise mining operations by the State Govt. through an agent. The proposal of the State Govt. has been returned to them on 23rd April, 1998 conveying Central Government's views to the effect that the proposal is not consistent with the provisions of the MMR&D Act.
